ملخص البحث:

يتلخص البحث في أنه يدرس حال راو من رواة الحديث، وهو عكرمة بن عمر اليمامي، اختلفت أقوال النقاد فيه، فاحتج به الإمام مسلم في صحيحه، وأخرج له أصحاب السنن الأربعة، ولم يخرج له البخاري.

وقد تبين من خلال البحث أن له شيوخاً بمغوا تسعة وتسعين (99) شيخاً، وتلاميذ بلغوا مائة وأربعة وعشرين (124) تلميذاً، وقد اختلفت أقوال علماء الجرح والتعديل فيه، فمنهم من وثقه مطلقاً، ومنهم من ضعفه مطلقاً، ومنهم من ضعفه في بعض الشيوخ دون بعض، والراجح أنه ثقة ربما يهم في حديثه عن شيخه يحيى بن أبي كثير.
Abstract

This research is summed up in the study of the status of the narrator of hadith Akrama Ibn Ammar Yamami. Critics had different opinions on his acceptance. Imam Muslim protested in his Saheeh and brought out the owners of the four books (the Sunan) for him, but al Bukhari didn't. It has been demonstrated by search that he had sheiks. They reached (ninety nine) sheikh, and he also had disciples up to (one hundred twenty four) disciple. Critics (wound and modification) had different opinions about him. Some of them said that he was reliable in Akramah Ibn Ammar at all, and some of them said he was weak at all. Some of them said that it is weak, but in his talk about his teacher Yahya Ibn Abi Katheer, and but the most correct is that he is documented in it, but he may make mistakes in his talk about his teacher. Yahya Ibn Abi Kathee
